Nurture. Ignite. Achieve.

Pupil Performance Fact Sheet

Our Early Years provision provides an excellent foundation for learning. From the way in which our staff motivate and enthuse the children, to the broad and balanced curriculum and specialist teaching – all of which enable the children to start their learning journey well above the national average and reach higher levels at the end of Year 2 in comparison to the national expectation. We build on this strong foundation, ensuring every child achieves their very best as they move through Key Stage 1 and 2.

A number of children have joined us in Years 1 to 5. The personalised learning experience we offer enables children to settle quickly and excel. The graphs below show how pupils joining us in Key Stage 1 and 2 typically progress in reading, writing and Maths, compared to the national standard.
